

Environmental Policy

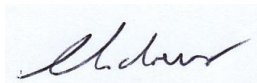

At all levels of our operation, Water Infrastructure Services Pty Ltd plan and conduct their activities with a view to protecting and conserving the natural environment and employee health. We do this by complying with legal and other requirements, the Environmental Management System and meeting community expectations.

Water Infrastructure Services Pty Ltd is committed to providing for its employees and the wider community, a level of environmental awareness, management and control that is in line with the community expectations and standards.

Water Infrastructure Services Pty Ltd commits to establishing and reviewing measurable objectives and targets at relevant functions and levels on a quarterly basis in accordance with the annual Environmental Management Plan and the requirements of ISO 14001:2004 Environmental Management Systems.

Water Infrastructure Services Pty Ltd commits to continual improvement and the prevention of pollution and to comply with applicable legal requirements and all other relevant requirements.

This policy is communicated to all staff through a hard copy on the common area notice board with other relevant Management System manuals.
